TECHNICAL INFORMATION

- All files must be sent in JPEG with 200 DPI with color profile sRGB IEC61966-2.1
- You should only send files for the main album from which we make the proportional reduction for the copies of parents
- The design can be made on [KoyDesign.it](#) (KDI) integrated into our ordering process and completely free
- Our templates are also available in [Smart Albums](#), [Fundy Designer](#) and [Album Stomp](#)
- If you prefer you can also use Photoshop with the help of our templates available for download on [My.KoyLab](#)
- The templates already include a 5 mm cut-off margin in which you should not place any important elements of the image
